GREAT LAKES COMPANIES SPECIAL PRICING AFIP CERTIFICATION - BY INVITATION

State and Federal Consumer Regulation Education
for Sales Managers,
Desk Personnel and F&I Practitioners

A Time-Proven Solution—

Not Just More 'Good Advice'

Regional Two-Day Boot Camps

conducted by the nonprofit

Association of Finance & Insurance Professionals

Sponsored by Great Lakes Companies

Over the past 26 years, AFIP has certified more than 50,000 professionals—in-dealership personnel and employees of captive and institutional lenders and aftermarket vendors—with reports of only five running afoul of the law.

See next page for Pricing, Curriculum
Overview and Sign-up Information

Knowledge of the Rules Backed by Personal Accountability Works!

To earn the AFIP Certified Professional in Financial Services diploma, certification candidates must score 80% or higher on the 150-question federal exam, 25-question state test and 25-question ethics module —and sign the AFIP Code of Ethics. The certification exam is administered under controlled conditions.
